FIRE CHIEF LOSES HIS LIFE IN TOWN'S WORST BLAZE

Haliburton village was visited by one of the most disastrous fires in its history on Monday night when fire chief Thomas Chambers lost his life and the Bank of Montreal and Grigg Department Store were totally destroyed by a stubborn blaze which firemen battled for eight hours before bringing under control.

At approximately 11 o'clock in the evening, Teddy Harding, who had driven in to town with his sister Joan, noticed smoke issuing from around the Bank of Montreal and notified Mr. Rufus Anderson who was on duty at the local telephone exchange. He immediately contacted fire chief Thos. Chambers who was on the scene with the local fire equipment in a very short time and after entrance was made to the bank he ascended into the cellar to ascertain the extent of the fire and returned to get the hose to extinguish it.

Don Iles, who was in the building with the chief at the time went into the basement with a flash light and he states that the chief evidently thought the flashlight was the scene of the first and turned the hose in its direction forcing Don to get back upstairs.

A short time later when Chambers failed to answer their summons, members of the brigade rushed to the basement to locate him.

By this time the basement was becoming an inferno and Boyd Robertson, groping in the heat and smoke had hold of the doomed man, but could not arouse him.

Others there made every effort to rescue Tom but they were driven back by the intense heat and gasses and in order to save their own lives they got out of the building just moments before it became completely enveloped in flames.

Stunned by the sudden tragic loss of their chief the local firefighters seemed, for a period, disorganized. Their main concern not only could be with quelling the fire but how they might still be able to effect the rescue of their chief.

By this time the Minden fire brigade had been summoned and were speeding to-

Sincere Thanks

On behalf of the citizens of the municipality, I wish to extend sincere thanks to the Minden fire department, the Department of Lands and Forests for their men and pumps and two members of the Fenelon Falls fire department who drove from Fenelon to lend their assistance.

The Minden brigade, under their capable chief, Ernest Hewitt, brought their complete equipment and by the valiant work and assistance of all these firemen, saved the town from destruction, the loss being confined to the complete destruction of the Bank of Montreal and the Grigg department store.

Haliburton should also take pride in her fire fighters and also the many citizens who fought the intense fire in bitter cold and wet. I would mention particularly Jas. Curtiss of Fenelon Falls, Stan Roberts and James Orr who braved the smoke and heat and the threat of falling timbers and masonry to bring out the body of our late fire chief who was trapped in the burning building.

On behalf of the council of the municipality, I extend a sincere "thank you" to all these courageous men.

I also wish to thank the Salvation Army, Kozy Korner, Star Cafe and Clarke's Restaurant who provided hot drinks for the firemen.

—Walter Noice, reeve.

ward Haliburton and many people in adjacent buildings were preparing for the worst, proceeding to move their most valuable possessions.

However it was not long before the Minden brigade had arrived and under the direction of fire chief Ernest Hewitt things got organized for the long night battle to bring the fire under control.

At this time the fire had spread into the Grigg Department Store and the firefighters realized that it would be an all out battle to have the Highlander Hotel which adjoins the Grigg store.

It was greatly feared that should the hotel catch fire. Probably Pollard's store would be next in line and maybe the entire north section of the street would be in peril, but with greatest co-operation between the Minden and Haliburton brigades aided with help from Fenelon Falls fire fighters the fire was finally brought under control shortly after daylight with the hotel escaping with only a slight scorching.

This is a night that few of us will ever forget and while the loss of buildings and business is most severe this town has suffered a

Embers

The Salvation Army are to be congratulated for their splendid work in keeping the fire fighters well supplied with hot coffee. In talking to Lieut. Leonard he stated that he received great assistance from Miss Minott, Mrs. N. Grose and Helen Fearrey.

In a conversation with Wm. Borden he informs us that building operations will get under way immediately on the construction of a new bank and store.

Patrons of the Bank of Montreal will be glad to know that banking business will be carried on in the Haliburton community hall where the bank have set up all the necessary machinery to render patrons the same efficient, courteous service that they have been used to in the past.

While the new location is not as central as was the former setup it will serve the needs of citizens until the new bank is ready for occupancy.

Local fire fighters were high in their praise for the splendid assistance that they received from the Minden fire brigade. Minden firefighters responded to the call for help and stayed right through to the end until all danger had passed.

We understand that the Grigg company will again resume business in the same location as soon as a new building can be constructed.

Ray Archer, Dick Clarke and George Chu, restaurant proprietors here, aided the Salvation Army in supplying coffee during the long cold night, and we noticed Harold Fearrey supplying the boys with cigarettes.

Provincial constables Langton, Armstrong and Rickard were right on the job all night and rendered valuable service in keeping traffic or persons from interfering with the fire fighters.

IGA ENLARGES

In order to meet the needs of an ever-growing demand for food products in this area Robertson's marketaria has been enlarged, adding 400 square feet of floor space to the present store, making available two check-out counters and adding an extra door for the convenience of the shopping public.

The store will be closed on Monday, Tuesday and Wednesday, March 19, 20 and 21 with a grand re-opening on March 22 at 10 a.m. sharp.

great loss in the person of fire chief Thomas Chambers who died because he situated himself in the place of peril rather than those who served under him.

Letter to Public

Haliburton, Ont.,
March 15, 1956.

Dear Patrons:

For the past 40 years, the store presently known as Darlack Department Store has served the community of Haliburton and district. The store has operated over these years under several managements and ownerships but at all times carrying a complete line of general merchandise. It has been known as "the general store of Haliburton County."

The late Mr. G. E. Earle was the original owner and later the store was operated under the partnership of Earle and Dart.

In April, 1946, the writer, H. J. Black, purchased a half interest from Mr. Earle and entered into a partnership with Mr. R. M. Dart and operated the store first as Darlack, "the highland general store" and more recently as Darlack Department store.

It has always been the policy of this store to carry a complete stock of general merchandise, groceries, hardware, dry goods, footwear, etc. It has also been the policy of this store to endeavor to keep abreast of changing times by revamping and modernizing the store at frequent intervals. It was one of the first stores in the area to introduce self-serve in its grocery department. A few years ago the second floor was completely modernized to handle dry goods and footwear.

The present owner, H. J. Black, has recently made the decision to once again bring the operation of this store into line with changing times and the rapid growth of our area.

It is with considerable regret that we have decided to discontinue the handling of groceries, general dry goods and footwear. We are sorry to lose our many customers in these lines, however, after long and careful consideration we have decided to convert to a hardware store and by so doing we feel quite confident that we can be of definite service to this ever-growing community.

In our new store we will not only carry a very com-

RED CROSS DRIVE STARTS MONDAY

The local Red Cross campaign is scheduled for Monday, March 19. None of us need to be told of the benefits this area derives from the Red Cross. The local hospital is a necessity to this community. Those who, fortunately or unfortunately, have had the opportunity to make use of the facilities provided there realize its value. Those of us who have not required its services are just as fortunate for it provides us with a sense of security.

The money required to maintain and operate this hospital, apart from paying patients, comes from two sources—our local annual canvass and from Red Cross headquarters—by three or four times the larger share from headquarters.

It appears that we cannot afford a hospital, but neither can we afford to be without one and so, thanks to people who have an interest in this community, and who receive nothing for their efforts, we have a hospital.

It is time we made an effort to assume a larger share of this burden ourselves and March 19 will give you the opportunity to do so.

plete line of hardware but also electrical appliances, giftware, home furnishings and building supplies, these items being closely related in most respects. It is our intention to fully acquaint you in the very near future, with a complete list of merchandise that you will be able to purchase from us.

An announcement will appear in the local paper on Thursday, March 29, giving the date of the change. In the meantime Darlack will continue to offer you service as usual with the lines we have been handling.

I wish to take this opportunity of saying thanks to each of our many customers for past patronage and I do trust that I will have the opportunity of continuing to serve you as a hardware merchant.

Yours very truly,
H. J. Black.

METEOR SIGHTED NEAR HALIBURTON

At 2.51 a.m. this morning while patrolling in his police car in front of the Dept. of Highways at Haliburton, provincial constable Gordon Langdon was startled when the whole sky was lit up for miles and he noticed a huge greenish-blue object in the heavens traveling earthward south-east of the village.

Cons. Langton stated that the large ball left a trail of sparks behind it as it fell. He described it as a most eerie sight.

Other parties noticed a flash in the sky but thought it might be lightning.

DYSART'S GREAT LOSS

Haliburton has lost an able and courageous citizen and public servant in the person of the late Thomas Chambers who gave his life in the performance of his duties as fire chief while fighting the disastrous fire of Tuesday morning. "Tommy" was a loyal and efficient employee of the municipality and took a keen interest in his position as fire chief. He will be sadly missed.

On behalf of the citizens of the municipality, it is my sad duty to convey to his family and relatives the heartfelt sympathy of the council and the citizens.

—WALTER NOICE, REEVE.

Cubs Hollow

On our pack meeting on Monday evening we had as our guest Rev. Schmitt, replacing Rev. O'Neil who was unable to attend. Peter Curry opened the meeting with the grand howl. Special inspection was taken of the teeth and our survey found that the teeth were in good condition.

Two knot relays in tying the reef knot and sheet bend behind their backs, Black Plume and Red Fang won 10 points each. The next game was called "snatch." No points were given for this game. The game of "telephone" was won by Black Plume and Red Fang with five points each.

At our camp fire Mr. Schmitt told the cubs interesting stories about great men in Biblical times. He told of the right and the wrong that these men did from the time they were small boys until they grew to be old men.

The meeting closed by a short and thoughtful prayer by Mr. Schmitt.

After the meeting Daniel Reynolds added together the points.

FAREWELL TEA

A most noteworthy event in Tory Hill was the recent farewell tea at the home of Mrs. A. H. Anderson Sr. for our esteemed district Red Cross nurse, Mrs. D. Kenny, who after almost four years of faithful and devoted service in this district has accepted an office in the social service department of the Children's Aid Society in Lindsay, her duties commencing the first of March.

Friends of this community as well as that of Essonville called to bid adieu and to extend to Mrs. Kenny good wishes in this worthwhile work in which she is embarking, where others may benefit from her kind, unselfish and conscientious services.

On the occasion of this tea, the women's organizations of Tory Hill and Essonville presented a beautiful hostess chair to Mrs. Kenny as a token of the esteem in which she is held in both of these communities. Mrs. Harry Finlay had the honor of making this presentation, after gay red and white corsages had been presented to Mrs. Kenny and Miss Warren, the new district nurse whom we welcomed to our midst at this time. Mrs. Kenny very graciously thanked her many friends.

The tea table was adorned with a beautiful large white cake bearing the inscription "Thank You And Good Luck" in red around which were plates of dainty sandwiches, celery and olives artistically arranged. Mrs. Anderson Sr. presided at the table, pouring tea. A most delightful and sociable time was had by all around the tea cups.

At the time for departing as fond farewells and well wishes were made, it was not so much with regret that friends were prone to see their beloved nurse leave because everyone realizes that whereas this district has lost a friend from its midst the Children's Aid Society in Lindsay has found a valuable one.

Prior to the tea Mrs. Kenny received a very pleasant surprise at the local school where she was welcomed by Mrs. Stoughton and the pupils. On entering the school, she was slowly led by Patsy Watson to the chair of honor at the front of the room, while the pupils sang the following song to the tune of "The Red River Valley":

From this town they say you are going
 We shall miss your sweet face and your smile.
 Just because you are thinking of others,
 You are changing your place for a while.
 Then come sit here awhile ere you leave us,
 Do not hasten to bid us adieu,
 Just remember the Tory Hill school,
 And the children who loved you so dear.

Mrs. Kenny was then presented with a beautiful little jewel case, Betty Hoult reading the address which follows:

Dear Mrs. Kenny:
 We, the children of Tory Hill thought this afternoon a good time to bid you farewell. We wish in some appropriate way to show our regard for you and also our appreciation of the interest you have taken in our school. Although we are saying goodbye, we hope to see you often back again at Tory Hill. We ask you to accept this gift as a remembrance of your days among us.

Signed on behalf of Mrs. Stoughton and the Tory Hill children.

The pupils then marched around the school room singing "Auld Lang Syne," bidding Mrs. Kenny goodbye as they passed her.

SCIENCE IN YOUR LIFE

Battle In The Barnyard

When it comes to farm management, an "ounce of prevention" can be worth literally millions of pounds—pounds of meat and poultry and dairy produce which the nation stands to lose through animal diseases. Since livestock products account for 60 per cent of farm income, protecting animals from disease is a major problem for American farmers.

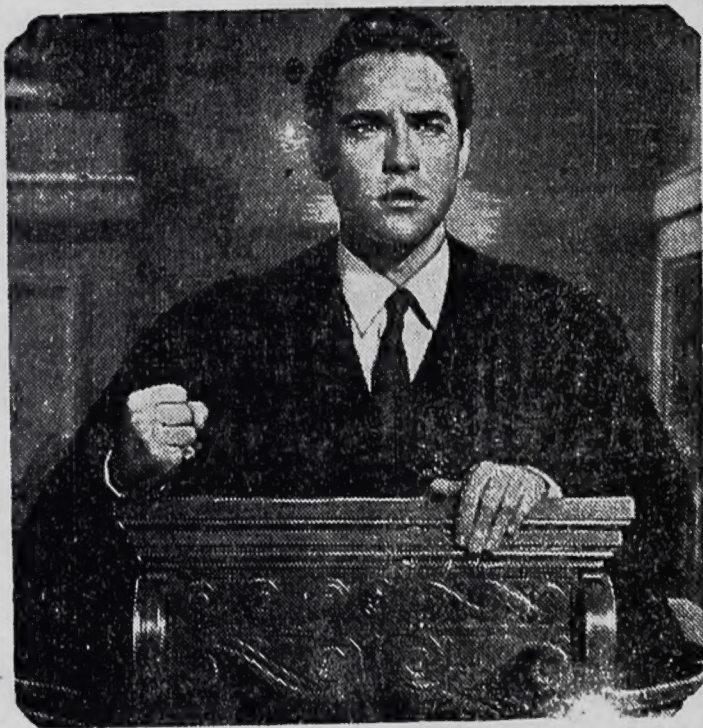

Livestock diseases often hit hardest in spring months, when the newborn animal population reaches a peak. The young animals fall easy prey to deadly microbes during the first few weeks of life, before natural defenses can be mustered.

This spring an estimated 56 million pigs, 7 million dairy calves, and more than a billion chicks will be added to the nation's barnyard population. But unless preventive measures are taken, diseases such as scours and pneumonia will cut down three out of 10 pigs and three out of 12 calves. Millions of chicks, too, will be stricken.

Although the newborn animals themselves are defenseless against microbial onslaught, modern science in recent years has developed some effective means of protecting them against once-deadly diseases. Terramycin, for example, a powerful antibiotic, has proved effective in preventing and treating scours, pneumonia and other diseases of pigs and calves, and in clearing up open-wound infections. Added to drinking water, Terramycin wards off infection and helps both to reduce chick mortality and end laying clumps.

Animal diseases are still plundering farm revenue at a rate of more than \$2 billion a year. The U.S. Department of Agriculture believes, however, that much of the loss can be prevented by presently available means. And, the Department adds, "much more can presumably be prevented by further research."

A Man Called Peter Coming To The Beaver

This picturization of Catherine Marshall's biographical novel, which enjoys the distinction of being a story told in terms of God's intimate participation in the affairs of man unfolds a poignant love story and is, at the same time, a success story in the best Horatio Alger tradition. Richard Todd and Jean Peters, head an imposing cast of 41 supporting players. Others prominent in the cast are Marjorie Rambeau, Jill Esmond, Les Tremayne, Robert Burton, Gladys Hurlbut, Richard Garrick, Gloria Gordon and Billy Chapin.

The picture was filmed in Coatbridge, a town nine miles from Glasgow, Scotland, where Peter Marshall, whose life inspired the story, was born, and in Washington, D.C.; in Annapolis at the U.S. Naval Academy; Atlanta, Covington and Decatur, Ga. In these places Rev. Marshall wove the pattern of his life which left its impact on America.

"A Man Called Peter" is a bold, vivid story of a man whose relation with God was more intimate than any chronicled in modern times. The greatest of his sermons, which he delivered at the New York Avenue Church in Washington, D.C., known as the "Church of Presidents," are incorporated in the script. Among them are his famous "Keeper of the Springs," "The American

Dream," "The Appointment in Samare" and his famous death sermon delivered, as if by divine inspiration, to the graduating class at the U.S. Naval Academy, only a few hours before the news of the Japanese attack on Pearl Harbor. This Scottish machinist, known as "the charming young Scot with the silver tongue," wound up the elected chaplain of the U.S. Senate and was known as "the conscience of the Senate."

Peter Marshall's meeting and courtship of Catherine Marshall, who wrote "A Man Called Peter," which held a place on the best-seller lists for 128 weeks, gives the picture a glowing warmth seldom achieved on the screen.

The screen story for this unusual picture was written by Eleanor Griffin and it was directed by Henry Kostner under the production aegis of Samuel G. Engel. Richard Todd, who won an Academy nomination for his role in "The Hasty Heart" and who, more recently, has been seen in Walt Disney's "Robin Hood" and "Rob Roy, the Highland Rogue," plays the title role and Miss Peters is Catherine. Twentieth Century-Fox produced "A Man Called Peter" with care and great fidelity to give it a rare quality. The production already has been hailed by critics as one of the most extraordinary pictures ever to come out of a Hollywood studio.

Card of Thanks

I wish to extend sincere thanks to my many friends and neighbors for their cards, inquiries and other kindnesses shown me during my illness in hospital. To Dr. Carroll, the nurses and staff of the Red Cross hospital and to the blood donors, I extend special thanks.

PARENTS

The next meeting of the Home and School Association will be held at the Haliburton County District High School on Monday, March 19 at 8 o'clock p.m.

At this meeting there will be a speaker from the Attorney General's department in connection with the government's traffic safety program. For your added enjoyment will be heard the tripple trio who did so well at the Kiwanis festival recently and at the piano, Billy Gliddon. Do come out and spend an enjoyable and profitable evening.

Sudden Heart Attack Cripples Young Father

Gets \$150 a Month And Free Insurance!

In 1949, a young Montreal sales manager suffered a severe heart attack. He has been totally disabled ever since. He has a \$15,000 Confederation Life policy that carries a Total Disability Benefit. As a result, he receives a regular monthly cheque for \$150 while totally disabled, until he reaches age 65—his \$15,000 life insurance policy continues in full force and Confederation pays the premiums! If he is still disabled at age 65 he will receive \$15,000 in cash or as income.

At any age, for any number of causes, you may suddenly find yourself totally disabled. That's why you would be wise to include a Total Disability Benefit in your life insurance, wherever possible. Ask your Confederation Man about it today!

MINDEN WIN IN 'CAYGEON

Twelve hundred hockey fans sat in at the Bobcaygeon arena on Saturday night last to see the Minden Monarchs down the Bobcaygeon Bobcats by the score of 4-1.

Glen Vasey was the big gun for the Monarchs in this game being in on all the four goals scored. Glen didn't score in this contest but assisted on the goals scored.

Sixteen penalties were handed out in the game with each team receiving eight.

The referees were Vitarelli and Payne, both of Peterboro. The following is a summary of the game.

MONARCHS ONE GAME AWAY

The Minden Monarchs made it three straight over the Bobcaygeon Bobcats at the Minden recreation centre on Tuesday night when they rolled over the Bobcats by the score of 6-3.

Led by Stafford Yearwood, who played an outstanding game all the way and scored three of the Monarchs six tallies.

The Monarchs drew first blood when Lawrence Yearwood scored on a pass from Marcel Pryor. This lead was short-lived and Brant Phillips scored to tie it up.

Young Stafford Yearwood brought the 700 fans present at the game to their feet when he drove in three goals to put the Minden club in a 4-1 lead.

In the second period both teams played it hard all the way with neither team denting the twine. Bobcaygeon tried desperately in this period to get back in the game but Bob Beanie, playing in the Monarchs net, stood them off.

In the third period the Monarchs increased their lead to 6-1 on goals by Gary Vasey from Marcel Pryor and Hugh Vasey from Gary Vasey. After this George Nicholl, playing defence for the Bobcats, skated through the entire Minden team to score.

Then minutes later Ernie Nicholls pulled the same trick when he pulled a loose puck out of his own end, came through the Minden club, beat Bob Beanie and end the scoring. Final score Minden 6, Bobcaygeon 3.

Notes on the Game

It was a fairly clean game with the Monarchs getting six penalties and the Bobcats two.

* * *

The Bobcaygeon club don't seem to have enough young players on the team to skate with the Monarchs who are loaded with young talent.

* * *

The Monarchs played another one of the good checking games and never let the Bobcaygeon smoothies get away.

* * *

This was one of the very few games that Marcel Pryor was unable to get a goal. He has been the biggest goal producer the Monarchs have had this season.

MINDEN

Mr. and Mrs. Morgan Prentice have left for a vacation in the southern U.S.

Recent reports of Mr. Mac McCarey tell his friends that he is making good recovery after his sudden illness.

Minden's oldest resident, Mr. Alf Langdon, who is 94 years of age, has recently become a patient in the local Red Cross hospital. Visitors to see Mr. Langdon will be very welcome.

Lewis Hewitt and his friend, Earle Dawson, spent the week end in the village. Lewis is now the proud possessor of a very handsome 1956 Ford automobile, which was greatly admired by his friends and relatives.

Mr. and Mrs. Hugh Nichol were visiting with relatives in Toronto on Thursday and Friday last.

Mr. and Mrs. Easton have now moved into the house they recently purchased from Mr. and Mrs. James Trumbull.

Mr. Jerry Gartland is taking a month's course in Cobourg at the HEPC school there.

Mr. Fred Brooks, Mr. Ernest Hewitt and Mr. Hugh Nichol were business visitors in Toronto on Friday.

Mrs. Lorne Dawson's mother, Mrs. Smith of Brantford, is now making good progress after her recent illness.

Miss Eleanor Hewitt, last week took her figure skating test at the Oshawa skating club obtaining excellent marks. The judges were most impressed with her style. Eleanor has been coached by Mrs. Diane Hamblyn who teaches at the Minden skating club.

Mr. and Mrs. A. E. Rogers attended the funeral of their brother-in-law, the late Roy Ludlow, in Kingston.

News of Mr. and Mrs. J. M. Irwin, who are holidaying with friends in Florida, tells of a very enjoyable vacation, including a trip to Nassau. They expect to return to the village in a week's time.

On Wednesday last Mrs. Olga Myles, Dr. Agnes Jamieson and Miss Sylvia Howard moved into the home recently occupied by Mr. and Mrs. Easton.

A great deal of property damage was done by the severe storm and high winds throughout last week end. Many TV antennas were wrecked and several people reported damage to roofs.

Mrs. Fern Ranney attended the hairdresser's convention at the Royal York Hotel on Monday and Tuesday of this week. Accompanying Mrs. Ranney was her sister, Mrs. Lewington, who often assists her at her beauty shop in the village.

Mrs. Shirley Colliss and baby Kim have returned home after spending the past two weeks at Port Elgin with her parents, Mr. and Mrs. Boyd Balkwill.

Mr. and Mrs. Loyne Cox and friends visited the Sportsman Show in Toronto on Saturday last.

Miss Beryl Cox and Mr. Goldie Henderson were business visitors to Lindsay on Friday.

GELERT

Mr. and Mrs. Archie Walker, Francis and Donnie, also Mrs. John Francis spent Saturday with Toronto relatives.

Phyllis Francis visited with her sister Mrs. Harold Coulter of Minden this week end. Dale and Faye Coulter visited their grandparents this week end.

Mr. Bill Peacock of Oshawa spent the week end at his home here.

Sympathy is extended to Mr. Irv Newell upon the recent passing of his sister at Dwight. He and Mrs. Newell motored there to attend her funeral.

On Sunday afternoon there passed away one of Gelert's oldest and most respected residents in the person of Mrs. Isaac Sedgwick. The late Mrs. Sedgwick had been bed-fast for some time, but her passing came as a shock to all who knew her. To her daughter Gladys, son Walter, his wife and family of Tavistock, also her many relatives, is extended our deepest sympathy. The funeral was conducted on Tuesday in St. John's Anglican Church by Rev. Ross Woolley of Minden.

Mrs. Len Hoyle and Mr. Went Sedgwick of Toronto; Mr. and Mrs. Leon Sedgwick of Stouffville; Mrs. Irene Pope of Lindsay; Mr. and Mrs. Bruce Cowan and Mr. Walter Cowan of Haliburton; Mr. Ken Stewart of Lakefield and Mr. and Mrs. Orval Francis of Cameron; also several other friends and neighbors gathered to pay their last respects to one who will be so greatly missed.

EAGLE LAKE

Jimmy McCaw, Peter Milne and Doris Milne all of Toronto were week end visitors at Mr. and Mrs. Lew Roberts.

Milton Hobden of Peterboro visited his mother, Mrs. W. Hobden last week end.

Miss Phyllis Newbatt, who is attending teachers' college at Peterboro and Mr. Lou Townsend of Toronto spent the week end with Mr. and Mrs. E. A. Newbatt.

Mrs. Anna Flucker has returned from a month's visit with friends in Toronto and Hamilton and with her daughter, Mrs. Sunnee Cooper of Dunville, where she attended the christening of her granddaughter.

Mr. and Mrs. Bert Curry and son John visited with the Bowen's Sunday.

Mr. Arthur Hill of Delora spent the week end at his home here. Mrs. Hill and Margaret drove him back to Peterboro and were caught in the storm at Lindsay.

Mr. Fred Greer and Brant Sisson have returned to Owen Sound after a few days at home.

The roads to Haliburton Lake are in good condition up to the centre, as the weather has been mild it might be difficult to get from the centre to cottages. The snow has been cleared off the cottage roofs.

Engagement

Mr. and Mrs. Lyman Cox of Minden are pleased to announce the engagement of their elder daughter, Beryl Evelyn, to Mr. Goldie M. Henderson, younger son of Mr. and Mrs. Floyd Henderson of Blairhampton. The wedding will take place on April 6, 1956.

HALIBURTON RED CROSS

The regular meeting of the Red Cross regular committee was held Monday, March 12 with 11 members present. The meeting opened with prayer and was in charge of Mr. James Cooper, the president.

Mr. Cooper welcomed all present and after the minutes and financial report were read the regular business was dealt with.

Reports from various committees were heard and these committees were busy during the month. Mrs. Boyd Austin reported for the sewing that is well under way and the Eagle Lake and Wilberforce ladies are helping with the serving. Mrs. A. H. Curry, convenor of the social work is looking forward to raising more money in April, a card party and penny march will take place in the next month.

Dr. and Mrs. Harry Good and Mr. Roy Brohm were present and welcomed to the meeting. Mr. Brohm is a new member and he is a member of the loan cupboard committee along with Mrs. W. Kellett.

Messrs. Glenn Austin, Roy Brohm and Rea Stinson are members of the March Red Cross campaign and Robert Bishop Jr. has the campaign well under way and starting off with a blitz night on March 19 until every home is reached.

Some unfinished repairs are needed and these will be attended to at once in the hospital and store room at the nurses' residence.

It was left to Mr. Clifford Dawson to see about the trip to Ottawa where the Red Cross convention will be held on March 22 and 23. Mrs. Hodgson, Mrs. Austin, Mrs. A. H. Curry, Mr. and Mrs. Clifford Dawson will plan to attend if possible.

The whole theme of the meeting was the hope that during the month of march the Red Cross will meet their objective as they have done in other years.

WILBERFORCE

On Thursday, March 8 a euchre party was held at the home of Mrs. Karl Tallman in aid of the cancer society. About 36 people were present and a very enjoyable evening was spent. The ladies prize was won by Mrs. Ross Ferguson and men's prize went to Mr. Mervin Roberts. Mr. Neil Croft was winner of the consolation prize.

OBITUARY

Mrs. Sarah Essie McElwain-Empey

A funeral service for the late Mrs. Robert L. Empey was held Monday, March 5 in Gelert United Church, Gelert, at 2 p.m. Interment was made in Gelert cemetery.

Mrs. Empey passed away in the Clinton Public Hospital on Thursday, March 1 following a two-week illness. She was in her 76th year.

A brief funeral service was held at the home of her son, Mr. William Empey, King-St., Blyth, Ont., at 9 p.m., on Saturday evening, conducted by the Rev. A. W. Watson, minister of Blyth United Church. During the service Mrs. Harold Campbell sang a favorite hymn of the deceased, "The Beautiful Garden of Prayer," accompanied at the piano by Mrs. Jack McDougall, who prior to the service played a medley of hymns.

On Sunday morning the remains were taken by motor to the McDougall & Brown funeral home, 641 St. Clair Ave. W., Toronto, until Monday morning, during which time many old friends and acquaintances called to pay their last respects. From there she was taken to Gelert, Monday morning.

The late Mrs. Empey was born in Gelert in June, 1880. She was the youngest daughter of the late William McElwain and Eliza Stinson. She taught school for a number of years in the Haliburton County area, before moving to Toronto in 1910. In 1921 she married Robert L. Empey of Toronto who predeceased her in 1931. She continued to reside in her own home at Toronto until June 1950 when she took up residence in Blyth with her son. She was a member of the Blyth United Church.

The late Mrs. Empey is survived by one son, William of Blyth, and one sister, Ella, Mrs. Joseph Walker of Campbellcroft, Ont., also two grandchildren.

MINDEN ROTARY

Our attendance is feeling the effects of our wandering members—no less than five of whom are in or are traveling to or from the "sunny south."

Speaker of the evening was Al. Edwards, head of the local provincial police, who had as his subject "In Our Own Back Yard." He was presented by Floyd Hall.

Now this "back yard" to which he referred was right here in our own county and in this connection recited the conditions that had come under his observation in his official duties, sometimes with the representatives of social agencies.

I think that few of us realized the conditions under which families try to exist due to neglect or misfortune.

While there are social agencies, they through limited budgets, do not step in until a desperate condition exists, and he feels that there is the need of an organization who could act earlier and thus possibly head off disaster.

His talk, while short, was to the point and thought-provoking.

—Thos. W. Brignall.

Pen Pictures of Parliament

—Portrait, Bright's Studio, Lindsay.

by C. W. Hodgson, M.P.

Debates have centred around the small bank loans and farm loan bills, and fisheries estimates this week; all very uninteresting, but now trans-Canada highways and the trans-Canada pipeline are coming before the Commons and these will be of more general interest. U.S. capital in the pipeline means U.S. control, which the majority of Canadians do not relish. The U.S. is already considering tax on import of Canadian gas. Whatever may be the plans of trade minister C. D. Howe for granting extensions of Tran-Canada Pipelines Limited to keep that project alive beyond the present May 1 practicability deadline, the juggling is not expected to have much effect on the U.S. end of the situation. Where the pipeline application of Mid-Western Gas Transmission Company is touted as the commercially feasible part of the all-over plan which would make it necessary for Canadian taxpayers to pay only for the "bridge" over the barren north shore of the Great Lakes, hearings have not only slowed to a snail's pace but new road-blocks have been raised. Latest is a bill introduced in the U.S. House of Representatives by Democratic congressman Cleveland R. Bailey of West Virginia demanding an import excise tax of 10 cents per thousand cubic feet of "natural gas imported into the U.S." This adds up to the situation where Canadians should finance this pipeline without U.S. capital.

The trans-Canada highway has been a very slow operation, simply because the dominion government does not finance their share of a national project, which was started seven years ago in December 1949. Now this new bill extends the time of completion to 1961. Parliament lacks the foresight of Sir John A. MacDonald, and seems to have lost the vigor and imagination of the past.

The Rev. Ernest G. Hansell, leader of the Social Credit, sat down, took off his coat, shoved up his old-fashioned arm bands and declared the Liberal party was on the way out.

Now leader of the Social Credit party, pro tem, the high-voiced sharp thinking, quick tongued clergyman from Vulcan, Alta., has been in Ottawa for five parliaments and 21 years.

The March meeting of the W.M.S. met at the home of Mrs. W. R. Curry on Friday, March 9 with the president, Mrs. Manning in the chair.

The worship service, led by Mrs. Wes. Baker, assisted by Mrs. H. J. Black, Mrs. Chas. Tyler and Mrs. Manning, the theme being "the call to the mission of the church through evangelism and missions," after which brief comments were made.

The study "Along the Pacific Coast" was very ably conducted by Mrs. Manning.

Due to illness the roll call just had 10 members, one visitor, and each handing in their article for our supply.

Minutes of the previous meeting were read and approved.

Mrs. Manning thanked the ladies for quilting the quilt that Mrs. L. B. Windsor and Mrs. Campbell made and gave her.

The correspondence was then read.

Mrs. Chas. Tyler gave a report on the work she had done towards getting the baby band started again.

Mrs. Manning is to see Mrs. Walling and find out if the mission band needed any supplies and if so the W.M.S. is to get them.

The supply secretary, Mrs. Black, gave a report on the supplies that were on hand, and asked each member for the next meeting to bring the same in clothing.

The next regular meeting is to be held at the home of Mrs. Black. Miss Minott is to take charge of the program and Mrs. Wheeler, the worship.

The meeting closed with prayer by Rev. Manning.

Refreshments were served by our hostess, assisted by Mrs. Wes. Baker and Mrs. Chas. Tyler, and a social half hour was enjoyed by all.

Bowling News

In spite of a blustery March day the Thursday Ladies League had another enjoyable afternoon at Medley's.

Team Standings
Hopefuls 25; Turtles 18; Hot Rods 17 and Amateurs 10.

Madeline Cooper took high three games with handicap 667 and was also the winner of the cokes with high single flat 243.

Play-off plans are being discussed.

We hope Mae Pounds will be back with us soon, as her help and encouragement to the amateur bowler shas done much to make Thursday afternoons so enjoyable.

Watch next week's paper for further particulars regarding the Dysart Home and School Variety Concert on Friday, April 13.

MINDEN ROTARY

A very timely subject was under consideration at this week's meeting of the Minden Rotary club. Floyd Hall, our program man for the month was presenting Doug McEachern of the Department of Lands and Forests on the subject of rabies and wild life but he in turn substituted and presented Dr. Jack Leslie of the Dominion Department of Agriculture, who is conducting the vaccination of animals in the county during the next 10 days.

Dr. Leslie gave us first the history of this disease which it would have been hanging around this world for 4,000 years or more. There has been, from time to time, outbreaks in England and the European continent for several hundred years, but it being possible to confine dogs easily there, it has been kept under control.

There have been several small outbreaks in North America, but the most recent scourge, which is now reaching us, appeared first in the Arctic and has got into wild life where it is difficult or impossible to control. It would appear that weather either hot or cold has little effect on its spread. It is, we find, a virus disease which effects the nervous system and while primarily a disease of dogs, will attack any animal that has a nervous system.

The present treatment being given animals is a preventive—not 100% sure—and is good for about three years.

It is spread by contact with the infected animal and enters the system through a cut or any break in the skin and travels the nervous system to the brain, the time required being in line with the distance of the point of infection from the brain.

His suggestion is to watch all dogs and animals closely. If suspected either confine or if necessary shoot and call a Department of Lands and Forests officer. As a final step keep children away from stray dogs.

—Thos. W. Brignall.
